## 5 to 7 Campaign: The Landing Expands to 7 Nights in June!

The Landing is the only overnight shelter on the Eastside for homeless young adults ages 18-24. Opened in 2002 for just one night a week, the shelter quickly grew to provide five nights of shelter, Monday – Thursday nights, with a 15-bed capacity. The Landing provides homeless youth with a safe place to sleep, a hot meal, laundry and a shower. We also provide intensive case management and referral, including health services provided by the Public Health Department and mental health and substance abuse counseling to our guests at the Landing. In addition, a dedicated team of volunteers prepare, deliver and serve hot meals each evening to the youth.

We have long sought to expand our services to seven nights a week, and with the support of area faith communities we are thrilled to announce that we will be providing 7 nights of shelter at the Landing beginning June 3, 2011.

If you would like to help support this much needed expansion of services, please let us know. We will require additional \$45K in financial support for supplies, materials and staffing, and we will need approximately 10 additional dinner donors each month to provide a hot meal for up to 16 youth. [Visit our webpage](#) to pledge your financial support or contact [Cheryl@friendsofyouth.org](mailto:Cheryl@friendsofyouth.org) to volunteer to provide dinner.

This year we have consistently been at or above capacity at the Landing; with your help we will now be able to provide safe shelter for young adults seven nights a week.
