

FRIENDS OF YOUTH UNCORKS THE VOLUNTEER SPIRIT!

As Part of National Volunteer Week, over 60 volunteers were honored and recognized at a Volunteer Reception hosted at Tefft Cellars on Thursday, April 29th. Volunteers throughout the agency were invited to “Celebrate Friends of Youth Volunteers in Action.”

Volunteers were treated to a wine tasting from Tefft Cellars and a spread of wonderful appetizers provided by Lake Street Catering, a Friends of Youth award recipient.

A short ceremony, recognizing our exceptional Friends of Youth program volunteers, was held during the reception. The purpose was to thank our volunteers who have given their most valuable asset—their time. The efforts of our volunteers are an enormous part of our success.

Our many thanks to all of the following volunteers:

Friends of Youth Board of Directors, Neighborhood School House Advisory Committee, Youth and Family Services Volunteers, Issaquah Youth and Family Services Advisory Committee, Griffin Home Volunteers Griffin Home Advisory Committee, Healthy Start Parent Mentors, Healthy Start Volunteers, The Landing Dinner Donors, The Landing Volunteers, Administrative Volunteer Groups and Individuals.
