\$45.00 - Includes urine analysis testing and brief consultation.

Screening can include:

- Marijuana
- Alcohol
- Nicotine
- Amphetamine/Meth
- Cocaine
- Opiates
- Ecstasy
- Methadone
- Oxycodone
- PCP

Are you concerned your child is using alcohol, tobacco or other drugs?

Friends of Youth is now offering **Urine Analysis-UA testing** at our Snoqualmie and Duvall offices. The service is focused on providing support for parents and children who are dealing with the difficult subject of alcohol, tobacco and other drug use.

How it works:

- Contact our Snoqualmie or Duvall offices to schedule a time for a urine analysis test.
- A brief consultation is provided to answer any questions or concerns.
- Testing is provided for individuals up to the age of 21.
