Friends of Youth Helps Homeless Youth and their Families Give Thanks

The event is open to the public and media.

Redmond, Wash. – While many people are making plans for their Thanksgiving holiday, Friends of Youth is encouraging individuals, families and community groups to start a new tradition by participating in the Thanksgiving Food Basket program. The annual holiday program provides less fortunate families and homeless youth with traditional Thanksgiving meals –everything from stuffed turkeys to pumpkin pies.

“In these difficult financial times, homeless youth and their families are the most vulnerable and are without resources to prepare a holiday meal,” says Cheryl Schnelle, Volunteer Coordinator at Friends of Youth. “This year it is more important than ever that every one of us reaches out to at least one young person or family in need.”

On November 14 and 15, Friends of Youth will accept food donations from 12-4 PM at the Redmond office located at 16225 NE 87th St., Suite A-6. Food items may include, but are not limited to: cranberry sauce, rolls or breads, pumpkin pies, baby food/formulas, and mashed potatoes. In lieu of turkeys, chickens, hams, Friends of Youth is requesting grocery store gift cards. Volunteers and program staff will distribute Thanksgiving meals to King and Snohomish counties on November 16.

“Friends of Youth will be counting on the generous and giving spirit of our community to help youth and young families in need. With everyone’s help, we will all have more to be thankful for,” said Schnelle.
